## JUBILEE NIGHTS: FRIDAYS 6:30-8:30PM

Jubilee is a big event night that is free and open to all families...from PCC and the surrounding communities! There will be plenty of activities to do all over the building. These nights are planned for families of all kinds and kids of all ages.

Life is messy sometimes...stress can press in on us and our families...let's take a time out to laugh and play together at the Jubilee!

## RECONNECT: WEDNESDAYS 6:30-8:30PM

ReConnect is a ministry to families of middle school and high school students. These nights bring parents and their students together around important topics, remembering to include an element of fun and the importance of connection. Because we believe so strongly in this ministry, we have put it on the same week as Jubilee and will encourage all of our families to attend either Jubilee or ReConnect as a way to invest in one another!
